Frequently Asked Questions

Affordable Pricing.

Employees are paid hourly, so we can't negotiate / discount prices. Don't worry though — we have some of the most competitive rates available.

Coverage Time.

Please remember that **coverage is time-based billing** — from start-time to end-time. You may create multiple coverage times to save money.

Length of Footage.

Please keep in mind that **video will be shorter than coverage time** — unless the event is non-stop, continuous (e.g., presentations, ceremonies, speeches).

Multiple Videographers.

We have a team available for handling small to mid-sized video productions. If you require a crew larger than 5 team members, please contact us.

We can do Anything.

No matter what you're looking for to do, we can handle it. Our video consultations has additional info **on website**.

Speak directly with our Production President about your video project. We can answer questions, setup a meeting or call time, and see if we're a good fit. LNR Production Studio is typically for clients with extensive video production requirements, i.e., projects that span multiple days or involve heavy pre-production.

** A typical LNR Production team is comprised of a (1) Creative Director (2) Professional Videographer and (3) a Professional Reporter. We may add additional resources to your project specifically as required. Contact us to get started and learn more about LNR Production.
